**Re: Co-employment relationship**

To Whom It May Concern:

This letter serves as an explanation of the co-employment relationship between Stonecastle Cash Management LLC and Ambrose Employer Group, LLC.

Stonecastle Cash Management LLC and Ambrose Employer Group, LLC have entered into a professional employer arrangement. This means that Stonecastle Cash Management LLC manages its day-to-day business activities and determines when, where and how employees perform services for it. Ambrose Employer Group, LLC performs other employment-related functions, such as payroll and benefits administration, and acts as a virtual human resources administration department for Stonecastle Cash Management LLC. Because Stonecastle Cash Management LLC and Ambrose Employer Group, LLC work together to carry out these employment functions the arrangement is termed "Co-Employment."

Although Stonecastle Cash Management LLC and Ambrose Employer Group, LLC work together to carry out employment functions, there is no agency relationship between the two companies, which means that no act or representation of one is binding on the other without its written authorization.

Please feel free to call if you have any questions.
